POST SHOW PRESS RELEASE

IFEX & Cast India Expo 2020 - The global sourcing platform giving much needed momentum to the Indian Foundry Industry.

The 16th edition of IFEX & 11th edition of Cast India Expo successfully concluded on a high note providing valuable insights on the latest innovations in the \$19 billion Indian Foundry industry. The Tradefair witnessed key exhibitors from India together with exhibitors from 13 countries showcasing their technologies to an audience of over 9,300 registered trade visitors from across the globe including 1,381 delegates. The trade fair generated numerous business opportunities, networking and knowledge sharing over 3 eventful days.

The exhibition was inaugurated by Mr. Sanjay Shroff, National President, The Institute of Indian Foundrymen, Mr. Ravi Sehgal, Chairman EEPIC India, Mr. V. Mahadevan, Chairman IFEX 2020, Mr. S.R.V Ramanan, Chairman - Organizing Committee, 68th Indian Foundry Congress, Mr. V.P PremKumar, Secretary - Organizing Committee, 68th Indian Foundry Congress, Mr. Milind Dixit, Managing Director, Koelnmesse YA Tradefair Pvt. Ltd. and past presidents of The Institute of Indian Foundrymen.

In their address to the gathering, all the dignitaries unanimously voiced the emergence of IFEX as one of the most important foundry industry exhibitions in South Asia.

Over 300 plus exhibitors from 13 countries showcased their products to major players in the foundry fraternity. Global players catering to foundry industry have consistently used IFEX 2020 as a platform to launch their innovations not only in the Indian but also in the global markets.

Despite the coronavirus scare, the exhibitors were successful in converting several business deals.

The 68th Indian Foundry Congress organized by IIF concurrent to IFEX & Cast India Exhibition witnessed over 1,380 delegates and eminent speakers from across the globe who shared their expertise, experiences and addressed various challenges being faced by the foundry industry.

IFEX once again stamped its dominance as the leading foundry trade fair in the Indian Sub-Continent. Cast India Expo is also gaining acceptance amongst the foundry industry as a platform for building Brand INDIA a global sourcing destination for casting.

The next edition of IFEX and Cast India Expo concurrent to 69th Indian Foundry Congress is scheduled from February 05 - 07, 2021 at Eco Park, Kolkata, West Bengal, INDIA.
