IFEX 2018 & Cast India Expo 2018 concludes successfully on a high note giving the much needed push to the industry

The successful completion of IFEX 2018 – 14th International Exhibition on Foundry Technology, Equipment & Supplies and 9th edition of Cast India Expo – Exhibition for Indian Casting Manufacturers held during January 10 –12, 2018 at Helipad Grounds, Gandhinagar, Gujarat, INDIA which was yet another moment of pride for its organizers, The Institute of Indian Foundrymen (IIF) and Koelnmesse YA Tradefair Pvt. Ltd.

The exhibition was inaugurated by Mr. Amish Panchal, President, The Institute of Indian Foundrymen, Mr. Jagat Shah, Chairman, Organizing Committee, 66th Indian Foundry Congress, Mr. Subodh Panchal, Co-Chairman – Organizing Committee, 66th Indian Foundry Congress; Mr. Vinod Kapur Managing Director, Gargi Huttenes – Albertus Pvt. Ltd., Mr. Andrew Turner from Foundry Equipment Supplies Association, UK, Mr. Ashwani Pande, Managing Director, Koelnmesse YA Tradefair Pvt. Ltd. Representatives from VDMA – German Engineering Federation, China Foundry Association, and past presidents of The Institute of Indian Foundrymen. In their address to the gathering all the dignitaries voiced the emergence of IFEX as one of the most important foundry industry exhibitions in South Asia.

In spite of the slowdown in the foundry industry in India and globally, IFEX 2018 has emerged as the largest foundry industry exhibition ever organized in India.

303 exhibitors from 13 countries including group country pavilions from China and Germany exhibited their latest products / services being offered to the foundry industry. Global players catering to foundry industry have used IFEX 2018 as a platform to launch their new technologies not only to the Indian market but also to the Global markets.

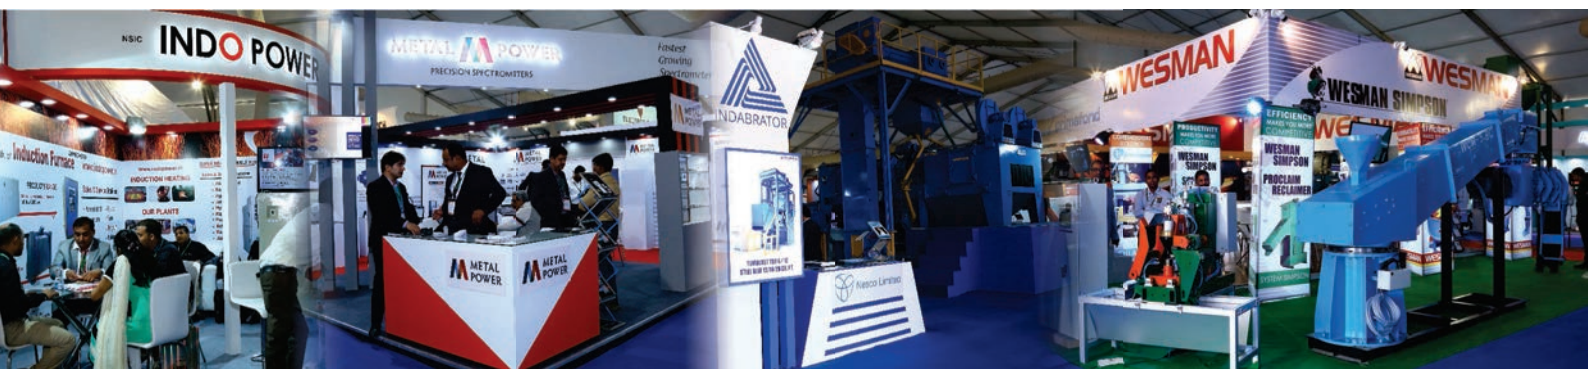

The 66th Indian Foundry Congress, which was organized by IIF concurrent to IFEX & Cast India Expo, was well attended by over 1200 delegates. Eminent speakers from across the globe shared their expertise and knowledge addressing the latest challenges being faced by the foundry industry.

This trade fair was witnessed by 8452 one time registered trade visitors coming from across the globe apart from over 1200 delegates of the 66th Indian Foundry Congress. Most of the exhibitors expressed their satisfaction towards the profile of the visitors who visited their stalls during the 3 days of the exhibition.

With the success of its 14th edition, IFEX once again proved its prowess as the leading foundry supplier trade fair in the Indian Sub-Continent. As a platform for 'Building Brand India as a global sourcing destination for casting', Cast India Expo is fast gaining its acceptance among the Indian foundries.

Continuing the success story, the next editions of IFEX and Cast India Expo will be organized concurrent to 67th Indian Foundry Congress during January 18 – 20, 2019 at India Expo Centre & Mart, Greater Noida, Delhi NCR, INDIA.
