

IFEX 2026

22nd EDITION INDIAN FOUNDRY EXHIBITION CONCURRENT

with
74th INDIAN FOUNDRY CONGRESS

12 **13** **14** FEBRUARY

 **Bombay Exhibition Centre, (NESCO)
Goregaon, Mumbai**

ORGANISED BY

About IFEX 2026

The 22nd International Exhibition on Foundry Technology, Equipment, Supplies and Services, concurrent with the 74th Indian Foundry Congress, presents a premier platform for both Indian and international companies to showcase cutting-edge technologies and services within the dynamic foundry sector. This event is an outstanding opportunity to explore emerging trends, foster business collaborations, and tap into new market opportunities.

- India remains the 2nd largest producer of castings globally and continues to be one of the fastest-growing industries with remarkable aspirations and innovation.
- The Global Foundry Market in India is projected to grow at a CAGR of 15.5% by 2029.
- The current market size is over USD 21 billion, indicating strong demand and expansion.
A vigorous focus on technological advancements and automation is accelerating the growth of the Indian Foundry Market.
- India offers a business-driven environment, featuring a diversified, industry-centric, and category-focused range of products and services.

IFEX 2026 is not just an exhibition, it's a gateway to the future of foundry excellence.

IFEX 2026 is Redefining the Future of Foundry

Empowering Sustainable, Effective, and Modern Solutions

**Building a Sustainable Tomorrow -
Circular, Clean, and Future-Ready**

Promotion of recycling and reusing in the foundry.

Sustainable systems for moulding encouraging recycle and reuse.

Partnership opportunities with industrial waste recyclers.

Dust and fume extraction systems using cutting-edge air filtration technologies.

Promoting the use of renewable energy sources

VISITOR PROFILE

IFEX visitors are increasingly focused on driving agile, high-performance manufacturing environments that foster collaboration, innovation, and sustainability.

They attend to discover cutting-edge technologies and solutions that boost productivity, enhance casting quality, and drive growth in the foundry sector.

Buyers / Sourcing Personnel from | Automobile Industry | Engineering Industry | Defence & Aerospace | Railways | Technology Suppliers & Technology Seekers | Energy & Infrastructure | Trade Delegations | Government Officials | Investors and Promoters | R & D Institutions | Product and Service Users | Consultants | Machinery Manufacturers

WHAT'S ON IN 2026?

IFEX Technology & Innovation Zone

Connect with industry leaders, foundry professionals, engineers, and R&D experts exploring the latest advancements in casting technologies, automation, and digitalisation.

IFEX Sustainable Foundry Solutions

Discover eco-friendly practices and cutting-edge sustainability initiatives shaping the future of metal casting, including energy-efficient furnaces, circular economy models, and green sand technology.

Live Product Demonstration Zone

An interactive space where exhibitors showcase breakthrough machinery, materials, and solutions to enhance efficiency and reduce costs in foundry operations.

Technical Seminars & Knowledge Forums

Engage in insightful discussions with global experts, industry veterans, and policymakers on emerging trends, best practices, and growth strategies for the foundry industry.

Networking & Business Matchmaking Sessions

Connect with potential partners, buyers, and decision-makers through structured B2B meetings, fostering collaborations and new business opportunities.

Skill Development & Workforce Training Workshops

Upskilling sessions led by industry experts to train the next generation of foundry professionals in cutting-edge manufacturing techniques and process optimization.

ADD-ON OPTION

SN	OPPORTUNITY	NO. OF SPONSORS/ INSERTIONS	COST (IN INR)
1	Insertion of promotional collaterals in the official Visitor's Kit	Multiple	1 Lakh
2	Bags for Visitor's Will have logo of the sponsor co-branded Includes 1 piece of promotional collaterals insertion in the bag	2 Slots	2 Lakhs
3	Pendrive Sponsor/ Pen Sponsor Printed with your company logo to brand you as event sponsor (Material to be supplied by the sponsor)	Exclusive	1.5 Lakhs
4	T-Shirts Sponsor The official IFEX 2026 T-shirt will have the logo of your company	Multiple	2 Lakhs
5	Bunting / Flags The sponsor has the opportunity to brand flag banners, & Bunting inside hall which are strategically placed at the venue for maximum visibility.	50 Slots	30,000 / Branding
6	Venue Branding Hoarding Pathway Cubicles	10 Slots	50,000 / Branding onwards*

COST OF PARTICIPATION

	DOMESTIC	INTERNATIONAL
FOR IFEX 2026*	Shell Scheme ₹ 10,500 per sqm** Bare Space ₹ 10,000 per sqm***	Shell Scheme: € 300 per sqm** Bare Space: € 275 per sqm***
FOR CAST INDIA 2026*	Shell Scheme ₹ 10,000 per sqm** Bare Space ₹ 10,000 per sqm***	Shell Scheme: € 300 per sqm** Bare Space: € 275 per sqm***

*GST extra as applicable.

*Premium Location Charges: 12.5% Extra 2 sides, 3 sides & 4 sides open: 12.5% Extra

*Non-members will have to pay Associate Membership fee for participation in IFEX 2026

**Minimum stall size 12 sqm with standard facilities

***Minimum stall size 18 sqm with general facilities

Venue

Bombay Exhibition Centre, NESCO, Mumbai

Situated in the heart of Mumbai, the Bombay Exhibition Centre (BEC) at NESCO stands as one of India's premier venues for large-scale exhibitions and trade fairs. Renowned for its world-class infrastructure and seamless accessibility, BEC provides an ideal setting for industry professionals to network, showcase innovations, and explore business opportunities in a dynamic and well-connected environment.

About IIF - The Institute of Indian Foundrymen

The Institute of Indian Foundrymen (IIF) was set up in 1950 to promote education, research, training and development to Indian foundrymen and to serve as a nodal point of reference between the customers and suppliers of the Indian foundry industry on a global scale. With its Head Quarter in Kolkata, IIF presently services the entire country through its 23 Chapters under four Regional Offices located at Kolkata, Delhi, Mumbai & Chennai. The Institute is a member of the World Foundrymen Organisation (WFO) and Confederation of Indian Industry (CII).

INDIA'S LARGEST INTEGRATED VENUE FOR CONVENTIONS & EXHIBITIONS
INDIA EXPO CENTRE & MART
GREATER NOIDA EXPRESSWAY, DELHI-NCR, INDIA

About IEML - **India Expo Centre & Mart**

A World-Class Venue for Business, Innovation & Global Trade!

India Expo Centre & Mart (IEML) stands as India's premier trade and business destination, fostering world-class exhibitions, networking, and commerce. Strategically located in Greater Noida, Delhi NCR, this state-of-the-art venue spans 58 acres, offering cutting-edge infrastructure and modern facilities tailored for international B2B exhibitions, conferences, and business summits.

Recognised as one of India's largest integrated exhibition and convention centres, IEML provides an unparalleled platform for global buyers, industry leaders, policymakers, and innovators to converge, collaborate, and catalyse transformative growth.
